TERMINAL DISCLAIMER

Sir:

Your petitioner, tesa Aktiengesellschaft, of Quickbornstrasse 24, Hamburg 20253, Germany represents that it is the 100% owner of the above-identified application by virtue of an assignment which was recorded in the U.S. Patent Office on October 14, 2004 at Reel 015247, Frame 0624. Your petitioner hereby disclaims the terminal portion of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of any patent issuing from application Serial No. 10/816,277 and hereby agrees that any patent so granted on said above-identified application shall be enforceable only for and during such period that the legal title to said patent for said above-identified application shall be the same as the legal title to any patent issuing from application Serial No. 10/816,277, this agreement to run with any patent granted on said above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on said above-identified application that would extend to the full statutory term as presently
